

NSBA SAANEN SPECIALTY RULES

Any individual or club from any NSBA District can apply for district Specialties.

Shows wishing to hold a District Specialty cannot be restricted in any way. The show must be open to all breeders and in the district as well as adjacent districts. Any money or prizes offered by the club, state or local authority must be paid to any winner regardless of where they reside.

AN APPLICATION FEE OF \$50 IS REQUIRED. \$25 will be refunded to the host club as soon as the Specialty Results and required photos are returned to the NSBA Specialty Chairman. \$25 will be retained to help defray program expenses. Make checks payable to National Saanen Breeders Association and send with application fee to Specialty Chairman.

The NSBA will provide a rosette or neck draping for Grand Champion and plaque for the Best of Breed for each sanction.

The host group agrees to supply a list of class winners to the NSBA as soon as possible, preferably within 30 days, after the completion of the show. Pictures of the Specialty Grand Champions, Reserve Grand Champions, Best of Breeds, and group class winners are REQUIRED. It is recommended that you take pictures of all first place age class winners, also. Winners will be published in the Saanen News and on the NSBA website in a timely manner. Photos become part of the NSBA Specialty Scrapbook and will not be returned.

Criteria for selecting a Specialty Site:

Normally the first club to apply gets the Specialty for that District, unless:

- A. The same show hosted the Specialty the past year.
- B. The show is in the same state of a multi-state district as the past year.
- C. The show offers only two sanctions versus a show offering three, or a combined Jr./Sr. show instead of separately sanctioned.
- D. The show offers fewer group & special classes than a show offering the same amount of sanctions.

All else being equal in regards to sanctions offered preference is given to shows that have a larger reported number of Saanens shown the previous year as indicated on the application.

When previous host clubs are applying, a club whose reports had been returned complete, neat and in a timely manner would win out over a club whose report response was inadequate from previous year(s).

If the District had several applications the prior year, those shows that did not get the Specialty will be offered first chance to host the Specialty the following year.

Selected sites will be notified as soon as possible on or before January 1st.

Applications are accepted from October 1st through December 31st for shows the following year.
