4. A dam will qualify for a Platinum Award in Protein with 2 daughters from 2 different sires who produced 91 or more pounds of protein.

NSBA Production Awards Rules & Application

GENERAL RULES

1. All Saanens (Purebreds, Americans, Grades and Experimentals) will be eligible for these awards equally. Grades and Experimentals must be at least 50% Saanen as stated on registration certificate and they must also be white.
2. Only approved validated records of both ADGA and AGS are eligible for awards.
3. Only current official DHIR records will be accepted for presentation of these awards. Group testing records approved by the goat registry and accepted as official will be accepted.
4. Only National Saanen Breeders Association members are eligible for awards. All does, bucks and daughters of bucks must be owned by an NSBA member (may be a different member than the submitting member).
5. It shall be the responsibility of the owner to submit the approved validated record to the awards chairman. Please send a duplicate of your dry individual cow page. Also include the full name of the animals, including the AR designation and other titles (*M, +B, GCH, etc.) and the registration number. Also include the sire's name and registration number.
6. Entry fee is \$1 per animal, regardless of the number of categories entered. There is a ceiling entry fee of \$10 per herd. A certificate will be issued for an additional 50 cents per animal.
7. All award winner will be published in the NSBA Saanen New Quarterly and submitted to Dairy Goat Journal and United Caprine News for publication.

Deadlines for submission of records are June 15 of each year. Only current records are eligible for awards. Submissions received after June 15 will be issued the following year.

Send application, documentation and fees, for each animal nominated to:
