- OR--- May qualify for milk with One Day Test score of 21 points or higher

Total Dam

Two or more Total Doe daughters

Total Sire

Three or more Total Doe daughters

General Rules

1. All Saanens (Purebreds, Americans, Grades, and Experimentals) are eligible. Experimentals and Grades must be at least 50% Saanen as stated on registration certificate, and must meet Saanen Breed Standard.
2. Animals must be owned by current member of NSBA, with dues paid on or before February 1st.
3. All Total Doe entries must be owned by the person submitting the records. Entries with qualifying offspring must have at least one animal owned by a NSBA member per group in sire/daughters (Total Sire) and dam/daughters (Total Dam).
4. To be submitted with entry: Copy of registration certificate, ADGA GCH show win report, DHI: individual cow page, One Day Test: Edit Report or Star Certificate, appraisal sheet, and photo of the doe. Also include the full name of the animals with their titles (*M, +B, GCH, etc.), their registration number, and their sire's and dam's information.
5. Entries will be accepted with milk records, linear appraisal scores, and show wins being achieved in previous years, with at least one qualifying record being obtained in the current year.
6. Entry deadline is Feb 1st of each year.
7. Entry is free to NSBA members. . A certificate will be issued for an additional \$1 per animal.
8. Photo is required for entry of Total Doe, and is requested for entry for Total Dam and Total Sire.
9. List of qualifying animals will be published in the Saanen News, at the NSBA web site, on the NSBA facebook page, and submitted to United Caprine News and Dairy Goat Journal for publication.
